

Hi Taka,

I truly appreciate all the work you did for me last year.

With your help, Yui has quickly become one of the best sushi restaurants in Las Vegas where we serve the highest grade wagyu and tuna imported from Japan. We have a few more traditional Japanese concepts planned and we will be sure to work with you again when the time comes.

Thank you for your efficiency and professionalism!

We look forward to continuing to grow our business alongside Action Sales in the future.
